Ask your doctor about these throat coughs. He will tell you how deceptive they are. A tickling in the throat often means serious trouble ahead. Better explain your case carefully to your doctor, and ask him about your taking Ayer's Cherry Pectoral.

Recently I proposed to a number of students of two schools, and now extend the invitation to every school, and especially the schools at Louisa, Paintsville, Pikeville, Prestonsburg, Salersville, Inez, West Liberty, Jackson, Hazel Green and Morehead to enter the contest. The three will be the "Young Mountaineer." The condition is that the contestant must be a mountain girl or boy and the essay is limited to not more than four hundred words. The name of the writer and the school, if any that he, or she, attends will be kept from the public until award is given. I want name, age, school, county and state of each writer.

Don't Neglect It

It is a serious mistake to neglect a weak heart. It is such a short step to chronic heart disease. When you notice irregularity of action, occasional short breath, palpitation, fluttering, pain in chest or difficulty in lying on left side, your heart needs help—a strengthening tonic. There is no better remedy than Dr. Miles' Heart Cure. Its strengthening influence is felt almost at once.

"I have used 10 bottles of Dr. Miles' Heart Cure and can truthfully say it has done me more good than anything I have ever used, and I have tried nearly everything that I know of. The doctor who attended me asked me what I was taking and I told him Dr. Miles' Heart Cure, he said it was not going to do me any good, but it did. I have not taken any for a year now, and while there is occasionally a slight symptom of the old trouble, it is not enough for me to continue the use of the medicine. If I should get worse I would know what to do. Take Dr. Miles' Heart Cure as I did before. I consider myself practically cured of my heart trouble."

S. H. DENHAM, Livingston, Texas.
Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money.
